2 Second Section

Companies can't be trusted

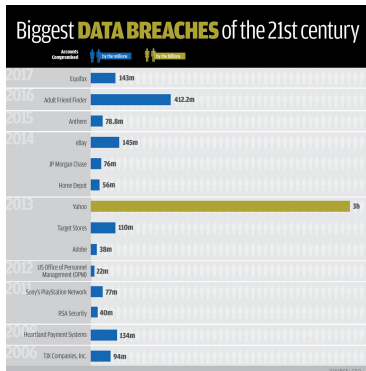

Figure:

www.csoononline.com/article/2130877/data-breach/the-16-biggest-data-breaches-of-the-21st-century.html

- We trust that companies will protect our data
- Data breaches are commonplace today
- Unencrypted data is often leaked
- There is currently no or little legal requirement
-
- Can we encrypt data before it is stored?
